EDUCATION

Queen's University

BASc in Computer Engineering
Software Engineering Stream
Expected Grad. May 2020

SKILLS

Programming

Experienced:

Java, MATLAB, Unix Bash

Beginner:

C, C++, Swift, \LaTeX

Web Technologies:

HTML5, CSS

Tools:

Cygwin, Eclipse, Xcode

Adobe Lightroom, Photoshop,
Premiere

HACKATHONS

QHacks 2018:

Queen's University;

Trained Clarifai's vision API to
recognize the ASL alphabet.

COURSEWORK

Computer Architecture

Data Structures

Digital Systems

Discrete Mathematics

Electric Circuits

Object-Oriented Programming

AWARDS

Duke of Edinburgh Silver Level
Alexander Rutherford Scholarship
Lang Family Scholarship
Ray Kingsmith Scholarship

Last updated 2018-02-07

PROJECT EXPERIENCE

Queen's Satellite Design Team

Sept 2017 – present
